

# Station Nomenclature Guide

A5101

Every Station Name Starts with "A"

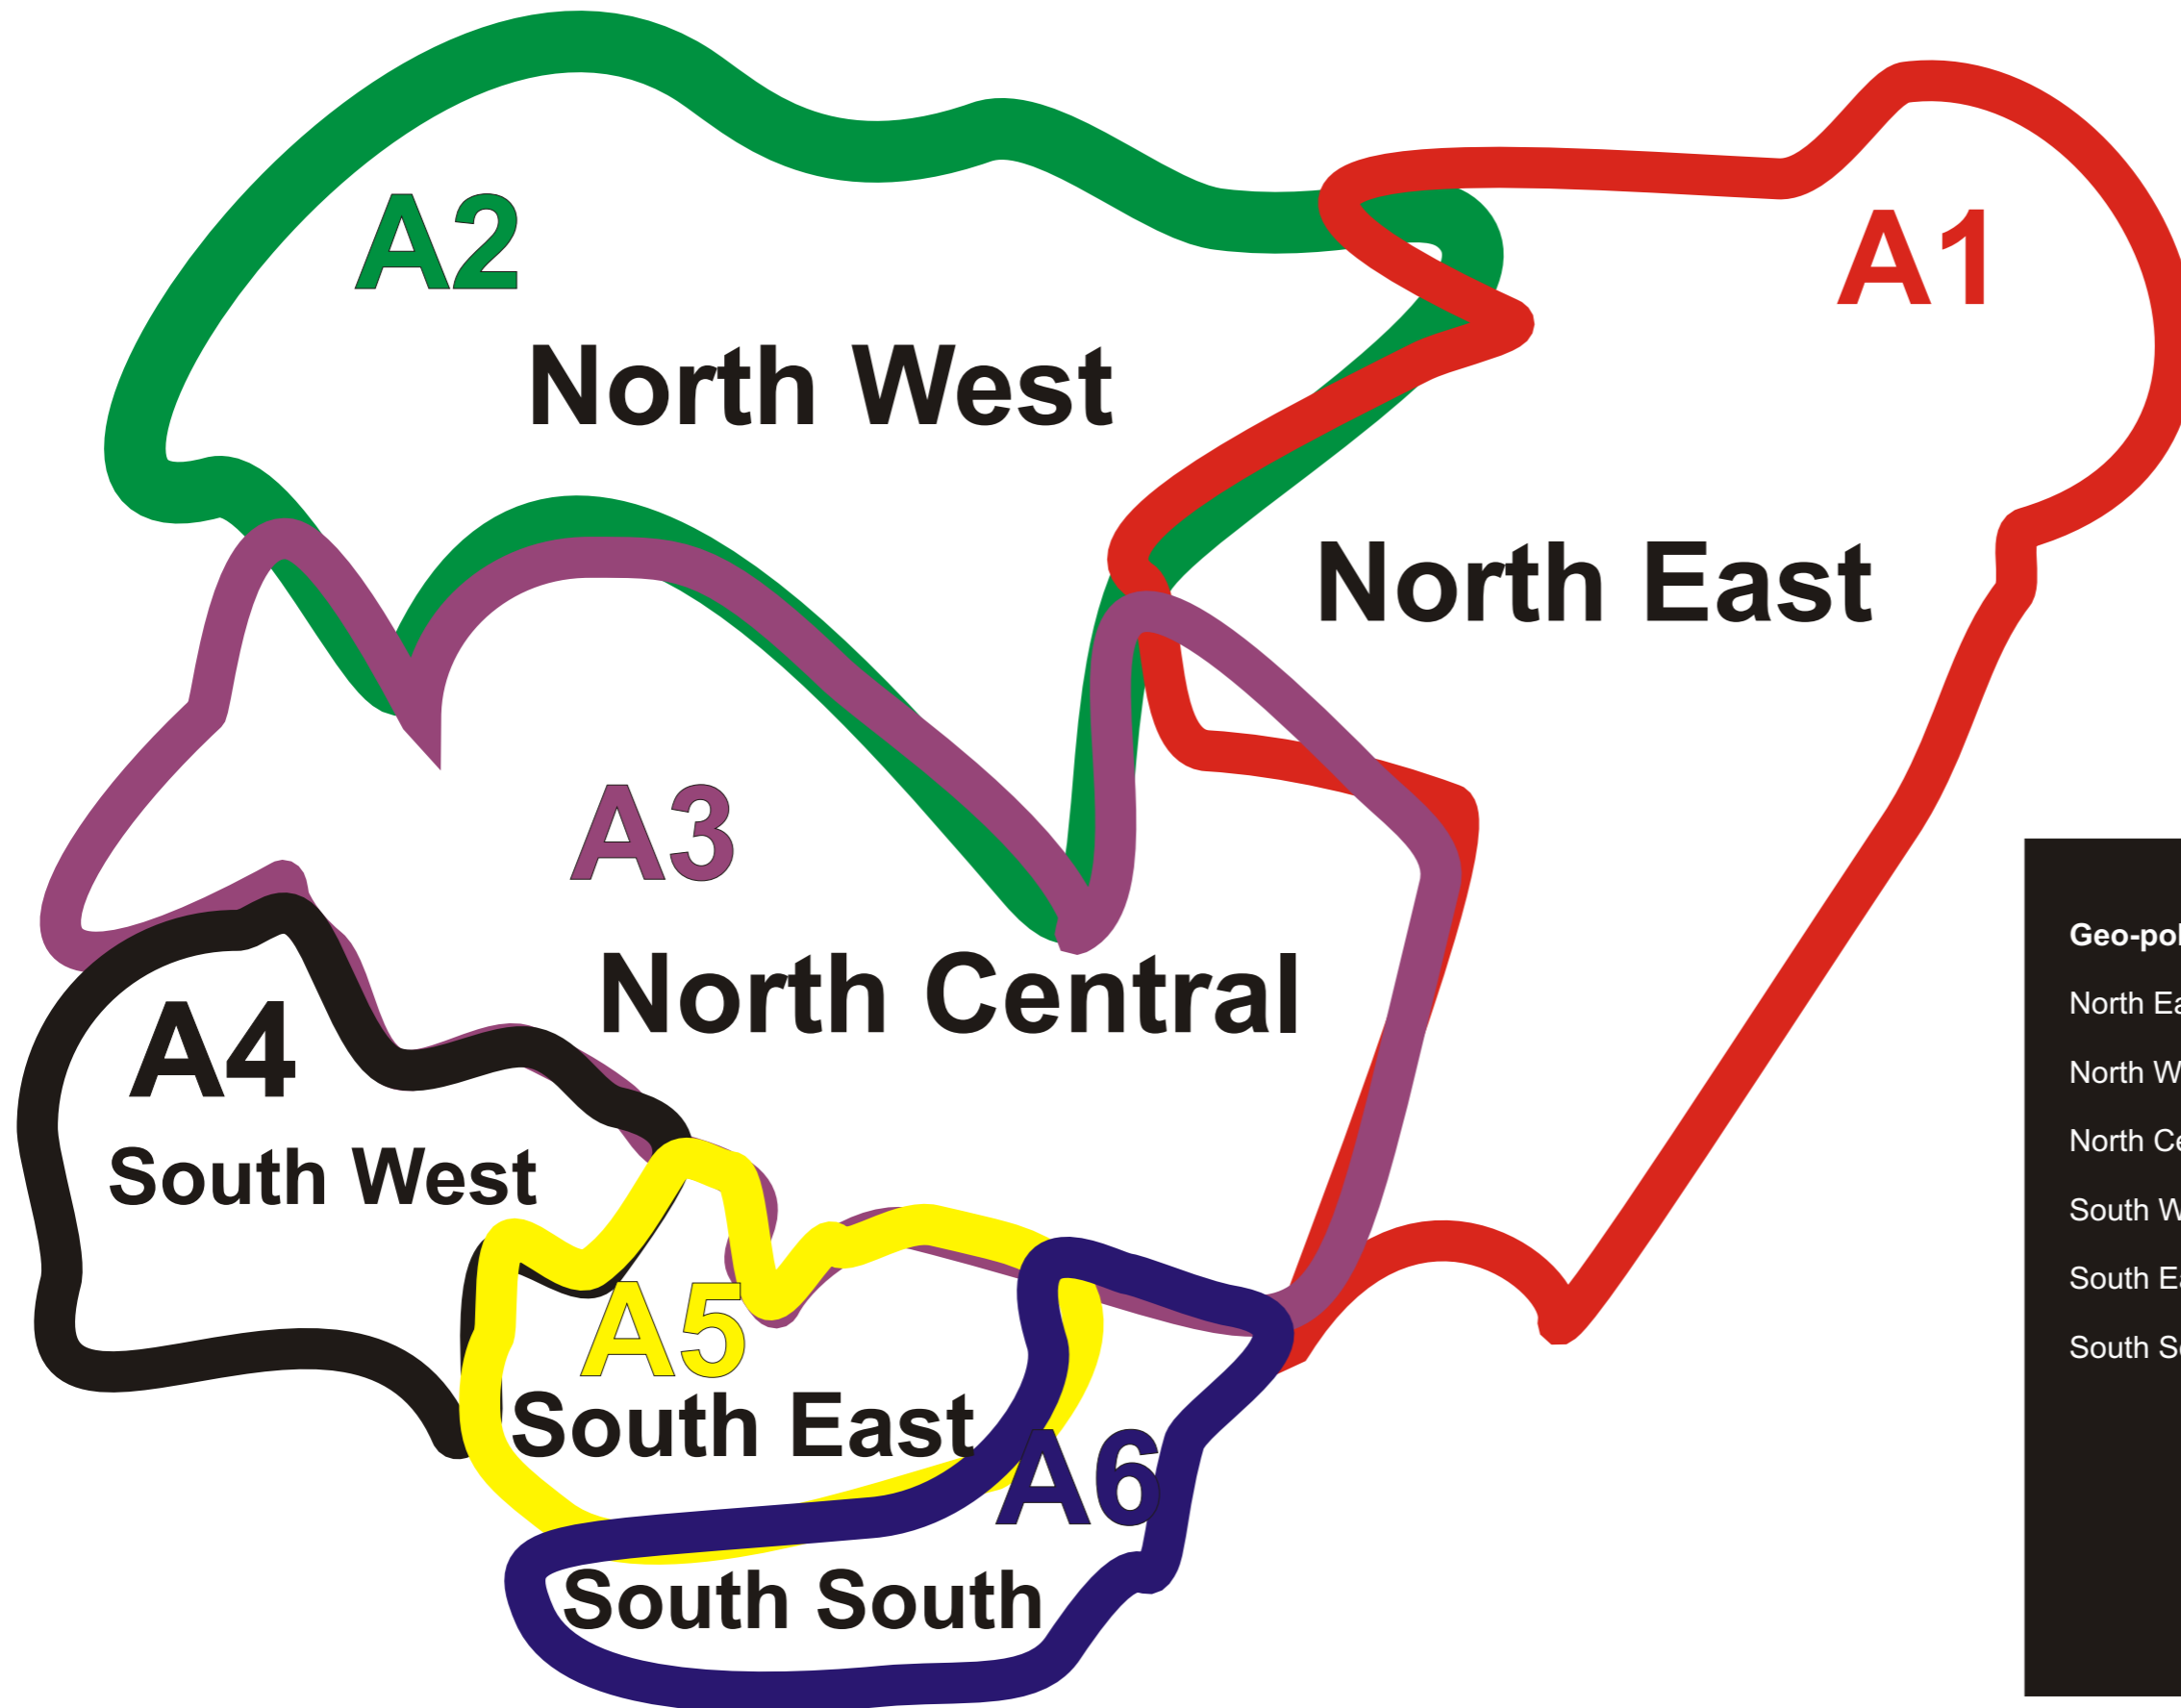

This figure represents the geo-political region

This figure represents the state in the region

This figures represents the station number in the state

# Step 1

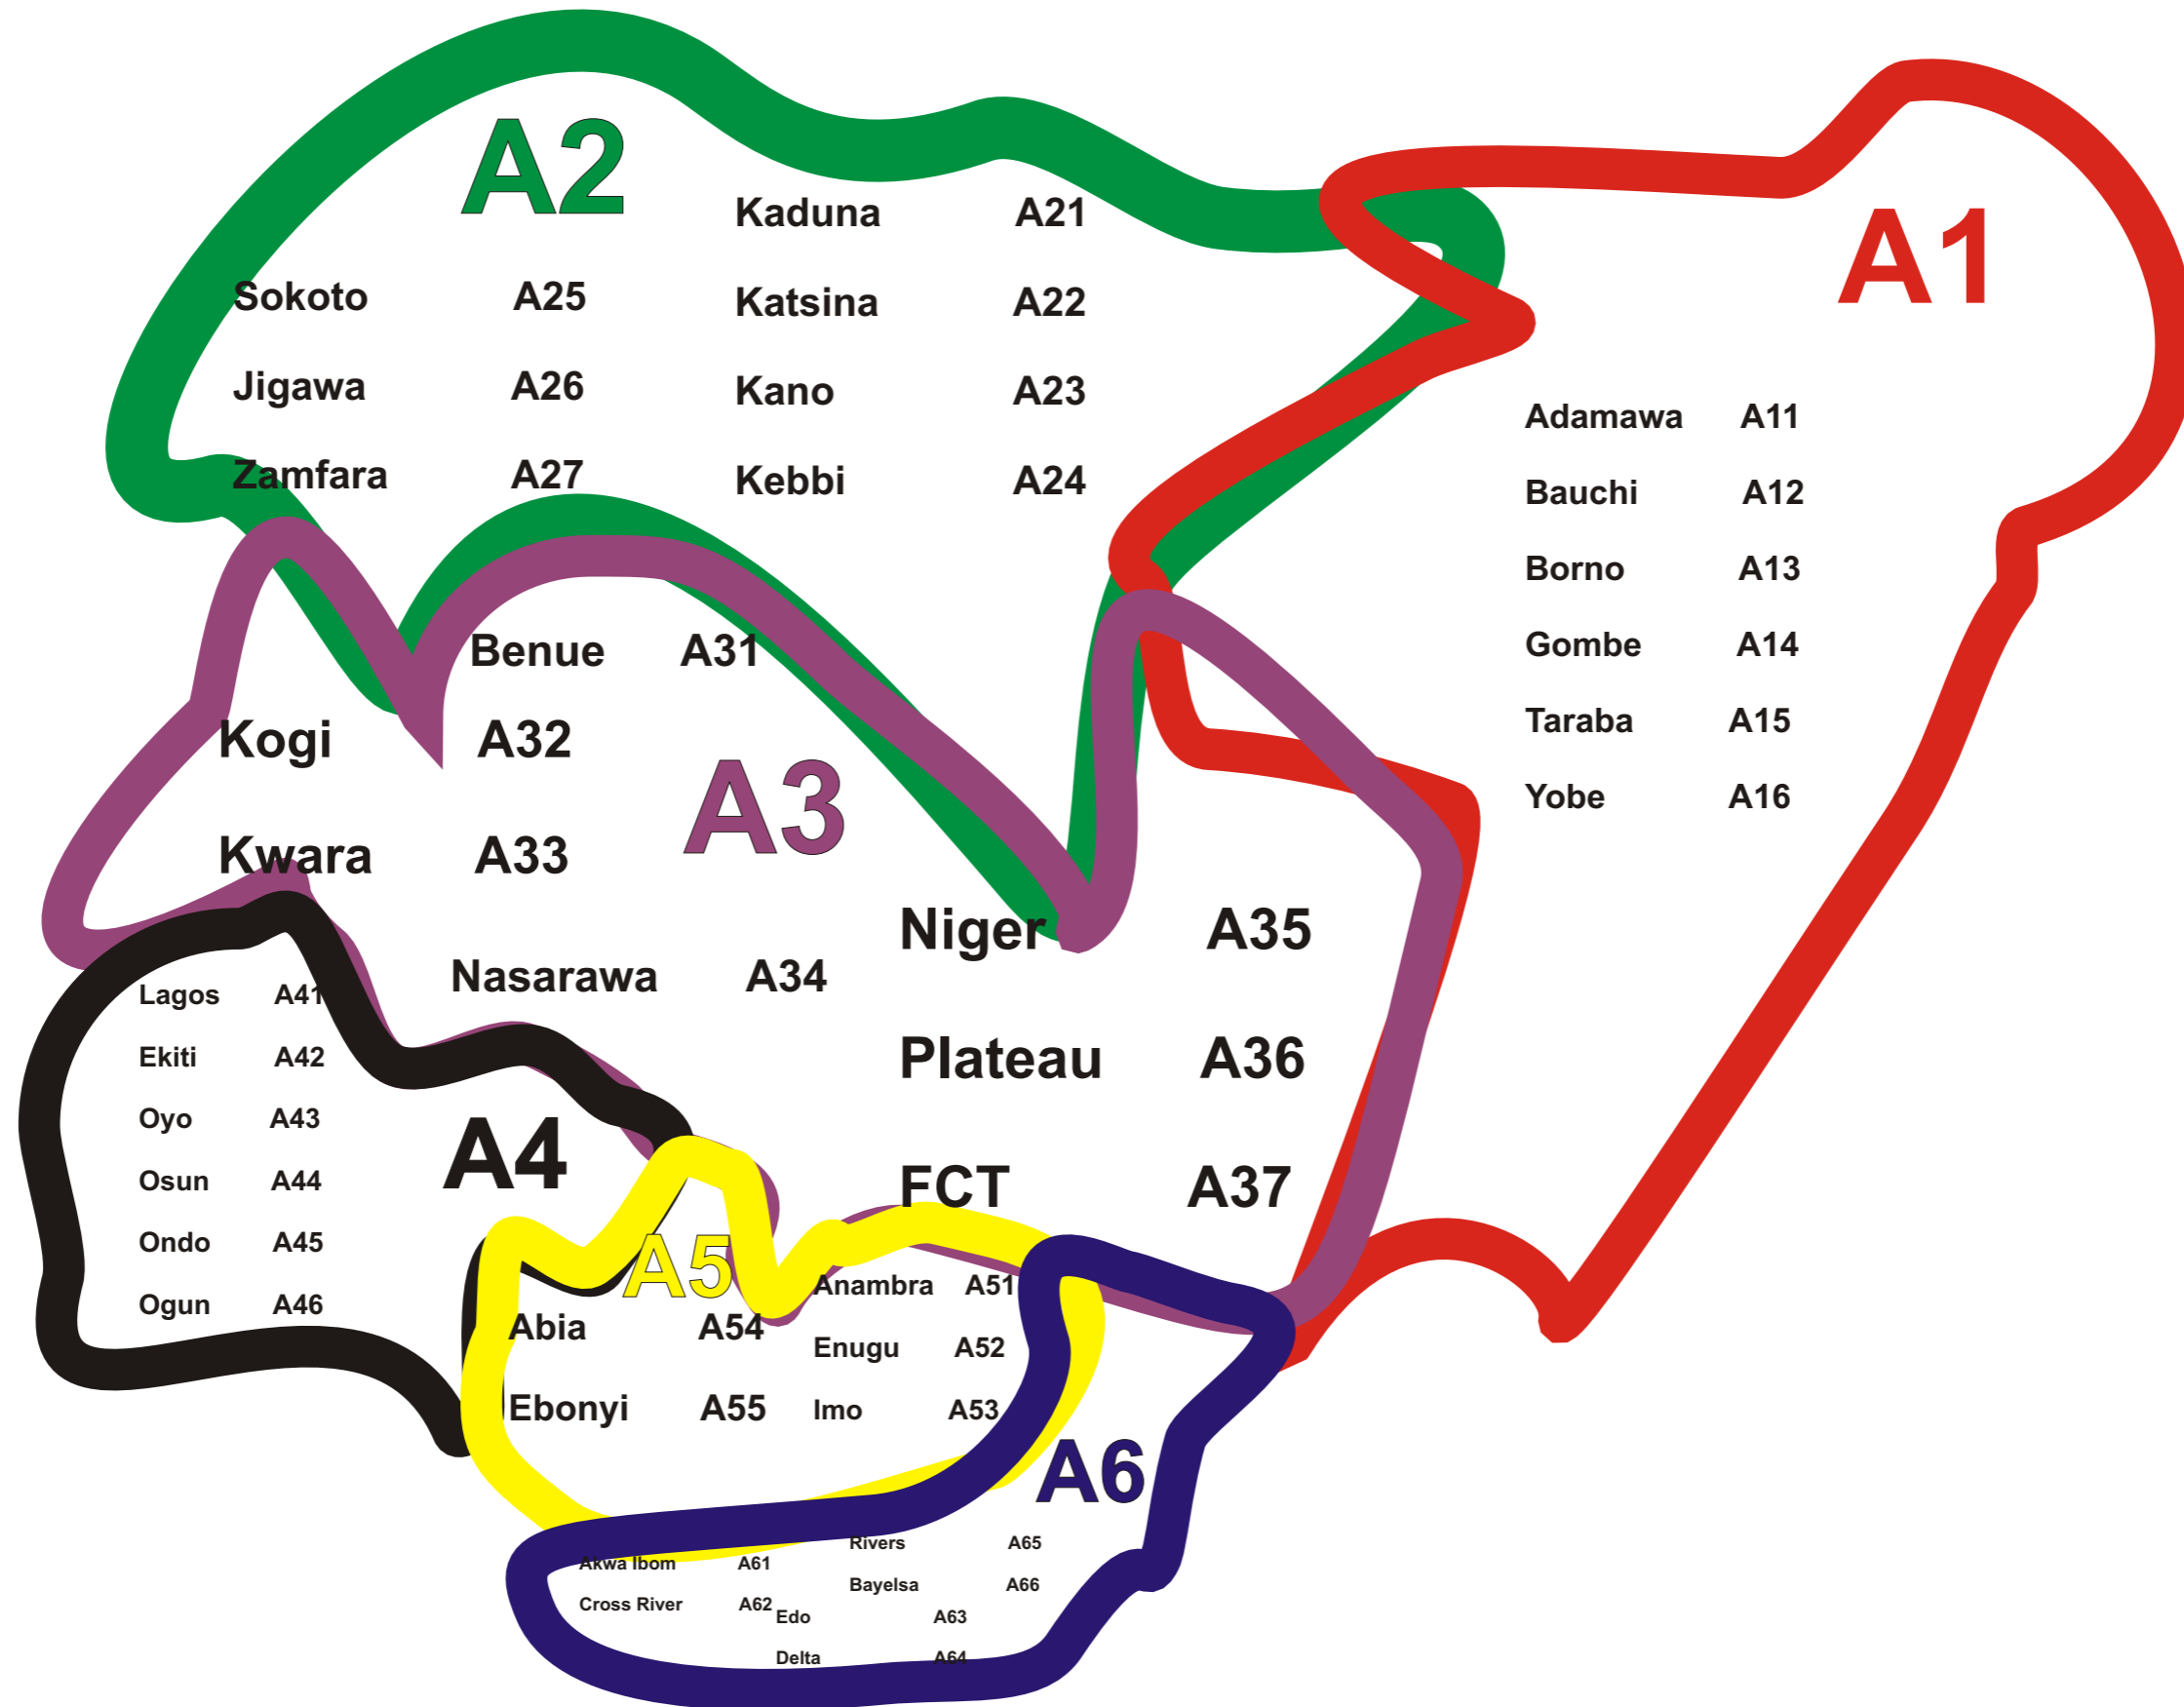

The country is divided into the 6 geo-political regions of the country and named and shown below.

Geo-political Region	Code
North East	A1
North West	A2
North Central	A3
South West	A4
South East	A5
South South	A6

## Step 2

The states in each region is listed and assigned figures after their regions i.e. Kaduna is the first state in the North Western region hence a nomenclature of A21 while a sokoto that is the fifth state will be A25

# Step 3

The first station in the state adds the figure "01" in addition to its regional and state nomenclature. Below is a list of the retail outlets, their old and then new names
